much we get when the government acts as an
dominant role in our lives. This is why we need to
reclaim the idea of “big government.” Despite
the challenges we face, we can work together to
build a better future for everyone.

COVID-19 pandemic is showing us just how
important health care is. We need to support our
health care workers and ensure that everyone has
access to the care they need. We also need to
address the systemic issues that contribute to health
disparities and ensure that everyone has the opportu-
nity to live a healthy life.

Meanwhile, social media giants are turning massive
profits by exploiting our data. This is unacceptable,
and we need to hold them accountable. We must
work together to build a society where everyone
is treated fairly and with respect.
